

## Suspended Ceiling Hooks

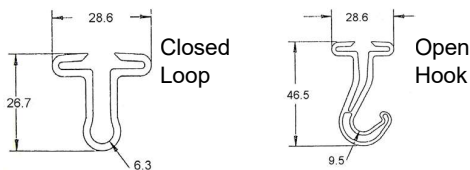

For light articles such as mobiles, banners and signs

Quick installation or removal, without ladder, using installation tool screwed to a standard paint roller pole.

Closed loop and open hook designs in natural nylon or clear copolyester

**Note:** Check allowable loading with manufacturer of ceiling.

Part Number	Material	Description	Colour
06-SCH06CN	Nylon 66	Closed Loop	Off White

## Snap Hooks

Ideal for light duty marine use, securing cargo to racks • Miscellaneous automotive, marine and canvas industry

Snap hooks will not scratch painted or decorated surfaces.

Design reduces the chance of accidental rope or eye release from snap end of hook.
